19.11 In computing service under paragraphs 19.1 to 19.9 inclusive, days worked in any position covered by similar vacation rules will be accumulated for the purpose of qualifying for vacation with pay.

19.12 Subject to the provisions of paragraphs 19.3, 19.5, 19.7, and 19.9 an employee who is retired, leaves the service of his own accord, is dismissed for cause, or whose services are dispensed with, shall be paid an amount appropriate to his service entitlement calculated as provided for in paragraphs 19.1 to 19.9 inclusive, for any vacation due him up to the time of termination of his service.

19.13 An employee who at the time of termination of his service has not qualified for vacation as provided for in paragraph 19.1 hereof shall be paid 4% of his gross earnings for the calendar year in which his service is terminated.

19.14 An employee who leaves the service of his own accord, or is dismissed for cause and not reinstated in the service within two years of date of such dismissal, will if subsequently returned to the service, be required to again qualify for vacation with pay as per paragraphs 19.1 to 19.9 inclusive.

19.15 In the event of death of an employee, vacation pay to which he is entitled up to the time of his death will be paid to the estate of the deceased.

19.16 An employee who is laid off during the year and who has not been recalled at the beginning of the ensuing calendar year will have the right to request on two weeks' notice vacation pay due at any time during the ensuing calendar year prior to being recalled to service.

19.17 Time off because of layoff, bona fide illness, injury, or attendance to organization business (except on full-time basis), shall be included for qualification purposes in paragraphs 19.1 to 19.9 inclusive.

NOTE:In the application of this paragraph the words "(except on full-time basis)" do not apply to employees covered by the provisions of paragraph 19.1 of article 19.

- (a)** Time off due to layoff, bona fide injury or illness, maternity or paternity leave, or attendance to organization business shall be credited with such time as days worked and/or available for service during the preceding year when calculating vacation allotment.
- (b)** When employees bid for Annual Vacation they shall choose between the vacation allotment reflective of their time worked/compensated in the previous calendar year or their vacation entitlement, without reduction.

19.18 An employee who has become entitled to a vacation with pay shall be granted such vacation within a twelve-month period immediately following the completion of the calendar year of employment in respect of which the employee became entitled to the vacation.

19.19 Insofar as practicable, preference shall be given in order of seniority of the applicants where applications for vacation have been filed on or before January 15th of each year; such preference shall not be granted where applications have been filed after January 15th. Employees must take their vacation at the time allotted and those who do not apply for it prior to January 15th shall be required to take their vacation at a time prescribed by the Company. A local Chairman's and non full-time general committee executive's vacation will be scheduled outside of the normal scheduling that applies to other employees at the terminal, provided they have properly applied in accordance with terms of this article.

19.20 An employee who, while on annual vacation, becomes ill or is injured, shall have the right to terminate (temporarily) his vacation and be placed on weekly indemnity. An employee who is again fit for duty shall immediately so inform the Company officer in charge and will continue his vacation if within his scheduled dates. If the remaining vacation falls outside the employee's scheduled dates, such vacation will be rescheduled as may be mutually agreed between the proper officer of the Company and the Local Chairman of the Union.

19.21 An employee who, due to sickness or injury, is unable to take or complete his annual vacation in that year shall, at the option of that employee, have the right to have such vacation carried to the following year.

19.22 An employee who is entitled to vacation shall take same at the time scheduled. However, if the Company reschedules an employee's scheduled vacation dates other than on request of the employee; by mutual agreement with the employee; or where the vacation is rescheduled under paragraphs 19.20 and 19.21 above, he shall be given at least 3 weeks' advance notice of such rescheduling and will be entitled to the following penalty payment:

For each calendar day during his originally scheduled vacation period on which he performs service or is available for service, one-seventh of 1% of the employee's gross wages during the preceding calendar year; payable during the period of his rescheduled vacation dates.

The rescheduled vacation with pay to which he is entitled will be granted at a mutually agreed upon later date. This paragraph 19.22 does not apply where rescheduling is a result of an employee exercising his seniority to a position covered by another vacation schedule.

19.23 Employees desiring an advance vacation payment must make application for same not later than five weeks prior to commencing their vacation. The advance vacation payment shall be 4% of the employee's previous year's earnings, less an appropriate amount (approximately 30%) to cover standard deductions.

- (a) The Company will negotiate with the Union measures other than the benefits covered by paragraphs 22.2 and 22.3 of this article to minimize such adverse effects of the material change on employees who are affected thereby. Such measures shall not include changes in rates of pay. Relaxation in Agreement provisions considered necessary for the implementation of a material change is also subject to negotiation.
- (b) While not necessarily limited thereto, the measures to minimize adverse effects considered negotiable under sub-paragraph (a) above may include the following:
- (1) Appropriate timing
 - (2) Appropriate phasing
 - (3) Hours on duty
 - (4) Work distribution
 - (5) Adequate accommodation
 - (6) Bulletining
 - (7) Seniority arrangements

- (c) The negotiations referred to in sub-paragraph (a) above shall be conducted between the Regional Vice-President (or his delegate) and the General Chairman and shall commence within 20 days of the Date of the notice specified in this paragraph 22.1. If the negotiations do not result in mutual agreement within 30 calendar days of their commencement, the issue or issues, remaining in dispute shall, within seven days of the cessation of negotiations, be referred to the Assistant Vice-President - Labour Relations, of the Company and the Vice-President of the Union for mediation by a Board of Review composed of two senior officers from each party. Such referral shall be accompanied by a Joint Statement of Issue, or Issues, remaining in dispute together with a copy of the notices served by the Company on the Union under this paragraph 22.1 and a summary of the items agreed upon.

If the Board is unable to arrive at a decision within the time limits specified herein or such extended time limits as provided for in sub-paragraph (e) hereof, or if its recommendations are not agreeable to either party, a joint Statement of Issue, or Issues, remaining in dispute may be referred within seven days by either party to a single arbitrator who shall be the person from time to time occupying the position of Arbitrator for the Canadian Railway Office of Arbitration.

In the event that the parties do not agree upon a Joint Statement of Issue, or Issues, remaining in dispute, either or each may submit a separate statement to the Arbitrator in accordance with the procedure outlined above for the Joint Statement and the other party will be provided with a copy thereof.

The Arbitrator shall hear the dispute within 30 days from date of the request for arbitration and shall render his decision together with reasons therefor in writing within 15 days of the completion of the hearing.

- (f) The decision of the Arbitrator shall be confined to the issue or issues placed before him which shall be limited to measures for minimizing the adverse effects of the material change upon employees who are affected thereby, and to the relaxation in Agreement provisions considered necessary for the implementation of the material change, and shall be final and binding upon the parties concerned.
- g) The Company and the Union shall respectively bear any expenses each has incurred in the presentation of the case to the Arbitrator but any general or common expenses, including the remuneration of the Arbitrator, shall be divided equally.
- (h) The appointment of the Arbitrator referred to in sub-paragraph (d) above may be revoked at any time by either party upon 60 days written notice to the other and replaced by mutual agreement between the parties.
- (i) In the event either party serves notice as provided in subparagraph (h) above, or the permanent arbitrator serves notice on the parties of his intention to terminate his appointment, and there are disputes requiring final determination during a period in which there is no permanent arbitrator, the parties will, within 27 days of cessation of negotiations at the regional level, agree upon an arbitrator to hear such dispute. If the parties cannot agree on the selection of an arbitrator, either party may immediately request the Minister of Labour to appoint an arbitrator to hear such dispute. Such ad hoc arbitrator will, in respect of hearing the dispute and rendering a decision, be governed by the time limits specified in sub-paragraph (d), and by the provision of sub-paragraph (f) above.
- (j) Notwithstanding the provisions of this paragraph 22.1, changes involving the relocation of employees shall not be made earlier than 15 days following the decision of the Arbitrator.

Relocation Expenses

22.2 The benefits set forth in this paragraph 22.2 shall be allowed, where applicable, to an eligible employee. They shall apply to an eligible employee only once for each change.

(a) Eligibility

The eligibility of specific employees for relocation benefits specified below will be negotiated provided that in each case the following basic qualifications are fulfilled.

(b) An employee:

- (i) must have 24 months cumulative compensated service (to establish one month of cumulated compensated service, an employee must, for the purposes of this article, in that month have worked and/or been available for service on 21 days or major portion thereof);
- (ii) must occupy unfurnished living accommodation to be eligible for benefits under sub-paragraphs (d), (h) and (i) of this paragraph 22.2;

(iii) must establish that it is impractical for him to commute daily to new location.

Relocation Benefits

- (c) Payment of door-to-door moving expenses for the eligible employee's household goods and his automobile, including packing and unpacking, insurance, and up to one month's storage; the mode of transportation to be determined by the Company.
- (d) An allowance of up to \$ 730.00 for incidental expenses actually incurred as a result of relocation.
- (e) Reasonable transportation expenses from his former location to his new location, by rail or, if authorized, by bus or employee-owned automobile, and up to \$185.00 for an employee without dependents, and an additional amount of \$80.00 will be paid for each dependent for meals and temporary living accommodation. Receipts will be required for rail or bus transportation. In the application of this sub-paragraph, a spouse will be considered as a dependent.
- (f) Upon authorization, an employee may drive his automobile to his new location at an allowance of 30 cents per kilometer.
- (g) In order to seek accommodation in his new location and/or to move to his new location, an employee will be allowed a continuous period of leave up to one week (seven consecutive calendar days). Payment for such leave will be a basic day's pay for each such day, up to a maximum of 5 days, at the rate applicable to the service last performed.
- (h) Reimbursement for loss sustained on the sale of a relocating employee's private home which he occupied as a year-round residence, provided that the Company is given the right in priority to everyone to purchase the home. Loss sustained is determined as the difference between the value determined in accordance with Appendix "A" plus any real estate agent and legal fees, and the amount established as the selling price in the deed of sale.

The procedure to be followed in respect of determining the loss, if any, on the sale of a home shall be as described in Appendix "A" of this agreement.

An eligible employee who desired to sell his house and receive any benefit to which he may be entitled under this sub-paragraph (h) must advise the Company's officer concerned accordingly within 12 months of the date the initial change takes place. No employee shall be entitled to any claim under this sub-paragraph (h) if the house is not listed for sale within 60 days of the date of the final determination of value and thereafter the house continues to be listed for sale. Any claim for reimbursement under this sub-paragraph (h) must be made within 12 months of the final determination of value.

Receipts shall be required.
- (j) If an employee who is eligible for moving expenses does not wish to move his or her household to his new location, such employee may opt for a monthly allowance of \$185.00 which will be payable, so long as he or she remains at the new location, for a maximum of 12 months from the date of transfer to the new location. An employee claiming under this sub-paragraph (j) may elect within such 12-month period to move his or her household effects, in which case the amount paid out under this sub-paragraph (j) shall not be deducted from the relocation expenses allowable.
- (k) Alternatively to sub-paragraph (h), the cost of terminating an unexpired lease and legal costs connected therewith up to a value of three months' rent, where the relocating employee was renting a

dwelling which he occupied as a year-round residence, except that where such lease was entered into following the notice of the change without prior approval of the Company no benefit will be provided. Such prior approval will not be unreasonably withheld. Should the law require payment of more than three months' rent in order to terminate a lease, such additional amount will be paid providing the employee first secures the Company's approval to pay in excess of three months' rent.

Early Retirement Allowance

22.3 An employee whose position is abolished by a change made under the provisions of paragraph 22.1 of this article or who is displaced by a senior employee, such displacement being brought about directly by and at the time of implementation of such change will, if he is eligible to receive an early retirement pension with an actuarial cutback, be entitled to receive:

22.4 The benefits granted under this article shall be reduced in whole or in part in each case by any amount to which an employee is entitled from any other assistance program established for similar purposes.

Returning from Absence for Any Reason

25.8 Employees returning to duty from an absence for any reason must report their availability for duty at least three hours in advance of the starting time of resuming their regular assignment.

ARTICLE 26

Manning of Assignments in Case of Work Stoppage

26.1 The parties to this agreement agree that in the case of a work stoppage by employees in the railway industry which would cause a major disruption in assignments, every effort should be made to avoid such disruptions.

26.2 To avoid such disruptions the local supervisory officer of the Company and the local chairman of the Union will, as soon as possible, enter into such local arrangements in writing as may be required.

26.3 If no local arrangements are entered into pursuant to paragraph 26.2 hereof the following conditions will apply:

Employees may select an accredited representative to appear with them at the investigation, and the employee and such accredited representative will have the right to hear all of the evidence submitted, and will be given an opportunity through the presiding officer to ask questions of witnesses whose evidence may have a bearing on the employee's responsibility. Questions and answers will be recorded. At an investigation, the investigating company officer or the employees shall have the right to record, at their own expense, the investigation proceedings. The employee and/or their accredited representative shall have a right to ask any questions of any witness/employee during such investigation relating to the employee's responsibilities.

At the outset of the investigation, the employee will be provided with all evidence the Company will be relying upon, which may result in the issuing of discipline. The Company will provide sufficient time for the employee and his representative to review the evidence.

When the Local Chairman of the union requests a copy of the discipline history of an employee who has a pending investigation, the discipline history shall be provided.

- (b)** If an employee is instructed to report for investigation at a location other than his home terminal, as per 30.4 (a) above, the employee shall be paid for actual time spent traveling, hour for hour, up to a maximum cumulative total of 8 hours in each 24 hours, at the pro rata rate of pay..

32.3 A request for arbitration shall be made within 60 calendar days from the date decision is rendered in writing by the Vice-President by filing written notice thereof with the Canadian Railway Office of Arbitration and on the same date a copy of such filed notice will be transmitted to the other party to the grievance.

General

32.4 Any grievance not progressed by the Union within the prescribed time limits shall be considered settled on the basis of the last decision and shall not be subject to further appeal. The settlement of a grievance on this basis will not constitute a precedent or waiver of the contentions of the Union in that case or in respect of other similar claims. Where a decision is not rendered by the appropriate officer of the Company within the prescribed time limits, the grievance may, except as provided in the following paragraph 32.5, be progressed to the next step in the grievance procedure.

32.5 In the application of paragraph 32.1 to a grievance concerning an alleged violation which involves a disputed time claim, if a decision is not rendered by the appropriate officer of the Company within the time limits specified, such time claim will be paid. Payment of time claims in such circumstances will not constitute a precedent or waiver of the contentions of the Company in that case or in respect of other similar claims.

32.6 When provision is made in this article for the appeal of a grievance to a designated Company officer, the Company may substitute another Regional or District officer for the officer designated by advising the General Chairman concerned in writing.

32.7 The settlement of a grievance shall not under any circumstances involve retroactive pay beyond a period of ninety calendar days prior to the date that such grievance was submitted at the first applicable Step of the grievance procedure.

32.8 Time limits specified in this article may be extended by mutual agreement.

32.9 When a recorded conversation may be relevant to the disposition of a grievance, the Local Chairman may make a request to hear a specific recorded conversation. Such requests must be made within 60 days from the date of the conversation. Arrangements will then be made to permit the Local Chairman to listen to the recorded conversation.

Non-Allowance of Time Claimed

32.10 When there is a question regarding the time or mileage to be paid for, any portion not in dispute will be allowed, and the Traffic Coordinator advised within thirty calendar days from the date of receipt of ticket regarding the portion which is not allowed together with reason why not allowed, otherwise such claim will be paid. In cases where all time or mileage claimed on any time return is disallowed such time return will be within thirty calendar days returned to the Traffic Coordinator through the proper officer of the Company, otherwise such claim will be paid.

APPENDIX A

Appraisal Procedure

When an affected employee desires to sell his home under the provisions of sub-paragraph (h) of paragraph 22.2 of which this Appendix A forms part, the following procedure will apply:

- (a)** In advising the Company officer concerned of his desire to sell his house, the employee shall include pertinent particulars as outlined in sample form attached, including his opinion as to the fair market value of his house.
- (b)** This fair market price of the house shall be the price determined as of a date sufficiently prior to the date of the change in order that the fair value will be unaffected thereby.
- (c)** Within 15 calendar days from date of receipt of employee's advice of his desire to make a claim, the Company officer shall advise the employee concerned whether the suggested fair market value is satisfactory and, if so, such price shall be the fair market value as contemplated by sub-paragraph (h) of paragraph 22.2 of Article 22.
- (d)** If, however, the officer concerned is not satisfied that the price requested by the employee is the fair market value, then an effort shall be made to resolve the matter through joint conference of the officer and employee concerned and the appropriate union representative if so desired by the employee; such joint conference to be held within seven days from date of advice to employee concerned as referred to in Clause (c) of this Appendix A.
- (e)** If such joint conference does not resolve the matter within five days from the date of the final joint conference arrangements shall be made for an impartial appraisal to be undertaken as soon as possible by an independent real estate appraiser. The fair market price established by such appraiser shall become the fair market value for the purpose of Article 22 and such price shall be binding on both parties.
- (f)** The employee and Company officer concerned shall endeavor to mutually agree upon the independent appraiser referred to in Clause (e). If they are unable to agree, then the Minister of Labour shall be requested to appoint such an independent appraiser.
- (g)** The residence shall not have been listed for sale with any appraiser appointed pursuant to the provisions of this Appendix A, nor with such appraiser's employee, fellow employee or partner.
- (h)** The fees and expenses of any appraiser appointed in accordance with Clause (e) or (f) shall be paid by the Company.

CANADIAN NATIONAL RAILWAY COMPANY

Atlantic, St. Lawrence, Great Lakes, Prairie, and Mountain Regions

MEMORANDUM OF AGREEMENT between the Canadian National Railway Company and the United Transportation Union.

IT IS AGREED that the Union Dues Agreement signed at Montreal, Quebec, February 16, 1955, in respect of the payment of union dues as a condition of continued preference of employment is suspended for those employees represented by the United Transportation Union and employed by the Canadian National Railway Company, Lines in Canada, covered by Agreements 4.1, 4.2, 4.16, 4.17, and 4.22, and the following is substituted in lieu thereof:

- *1.** Subject to the conditions and exceptions set forth herein, such employees who, as of 0001 hours on the first calendar day of the month, are assigned to a working list of employees governed by Agreements 4.2, 4.3, or 4.16, will have deducted by the Company on the payroll which includes the 24th calendar day of each month from the wages due and payable to each employee coming within the scope of this agreement, monthly regular union dues of each Local of the United Transportation Union. (U.T.U.)
- *2.** The amount to be deducted will not be changed during the term of the applicable Agreement excepting to conform with a change in the amount of regular union dues of the United Transportation Union in accordance with its constitutional provisions.
- *3.** The Union will forward a master computer tape list to the System Manager, Payroll Accounting, Montreal, Quebec, which will contain the employee's name, Personal Identification Number (PIN) and the amount to be deducted. This list will be submitted on or before the first Monday of each established second payroll period.

 - (a)** A designated officer of the Union will arrange for necessary additions or deletions to the master computer tape list account change in work status, resignation, retirement, etc., on or before the first Monday of each established second payroll period.
 - (b)** Any adjustments to the amount of the Union dues deducted from an employee will be adjusted directly between the employee and the U.T.U. However, if a dispute develops between the employee and the U.T.U. as a result of an error in the amount deducted, the principles of Item 10 will continue to apply.
 - (c)** The Company will assume no responsibility for the late receipt or non-delivery of the computer tapes. In the event of late or non-delivery of computer tapes, the Company will use the last tape received and any adjustments required therefrom will be made by the U.T.U.
- 4.** Membership in the United Transportation Union shall be available to any employee eligible under the provisions of the constitution of the Union. Membership shall not be denied for reasons of sex, race, national origin, colour, or religion.
- 5.** If the wages of an employee payable on the payroll for the period which includes the 24th day of any month are insufficient to permit the deduction of the full amount of dues, no such deduction will be made from the wages of such employee by the Company in such month. The Company will not, because the employee did not have insufficient wages payable to him on the designated payroll, carry forward and deduct from any subsequent wages the dues not deducted in an earlier month.
- 6.** Only payroll deductions now or hereafter required by law, deduction of monies due or owing

the Company, pension deductions and deductions for provident funds will be made from wages prior to the deduction of dues.

7. The amounts of dues so deducted from wages less sums which may be withheld pursuant to Item 8 hereof accompanied by a statement of deductions from individuals will be remitted by the Company to the designated officer or officers of the Union, as may be mutually agreed by the Company and the Union, not later than 40 calendar days following the pay period in which the deductions are made.
8. The question of what, if any, compensation shall be paid the Company by the Union signatory hereto in recognition of services performed under this Agreement shall be left in abeyance subject to reconsideration at the request of either party on 15 days' notice in writing.
9. Not more than one payment of union dues shall be made by any employee in any one month. Employees filling positions coming within the scope of more than one wage agreement in a month, shall pay union dues to the union holding the agreement under which the employee was assigned as at 0001 hours on the first calendar day of the month. Where dues have been deducted from the wages of an employee pursuant to this Agreement, and dues are payable by such employee to another union in accordance with the foregoing, application to the Company for refund of dues deducted under this Agreement shall be made by such employee.
10. The Company will not be responsible financially or otherwise, either to the Union or to any employee, for any failure to make deductions, or for making improper or inaccurate deductions or remittances. However, in any instance in which an error occurs in the amount of any deduction of dues from an employee's wages the Company will adjust it directly with the employee. In the event of any mistake by the Company in the amount of its remittance to the Union, the Company will adjust the amount in a subsequent remittance. The Company's liability for any and all amounts deducted pursuant to the provisions of this Agreement will terminate at the time it remits the amount payable to the designated officer or officers of the Union.
11. In the event of any action at law against the parties hereto resulting from any deduction or deductions from payrolls made or to be made by the Company pursuant to this Agreement, each party will bear its own cost of such defense pursuant to this Agreement, each party will bear its own cost of such defense except that if at the request of the Union counsel fees are incurred these will be borne by the Union. Save as aforesaid the Union will indemnify and save harmless the Company from any losses, damages, costs, liability or expenses, suffered or sustained by it as a result of any such deduction or deductions from payrolls.
12. This Memorandum of Agreement is effective August 1, 1975, and shall remain in effect subject to 30 days' notice in writing from either party of desire to cancel it. If this Memorandum of Agreement is cancelled the provisions of the Memorandum of Agreement signed at Montreal, Quebec, February 16, 1955 in respect of the payment of union dues as a condition of continued preference of employment with the railway company will automatically apply as from the first calendar day of the month following the expiration of 30 days' notice referred to in the first sentence of this Item.

Gentlemen:

During the current round of negotiations, the Union submitted a proposal to provide a "runaround" rule in Agreement 4.2 covering Yardmasters and Assistant Yardmasters.

During our discussions of your proposal, the Company explained that a runaround rule only lends itself to situations where an employee's entitlement to work is established on the basis of his turn on a spare board, chain gang or other similar first-in, first-out procedures. However, in situations where an employee is entitled to certain work by reason of his seniority, which is the case with Relief Yardmasters, then the so-called "make whole" principle applies. This principle provides that an employee who is deprived of work entitlement which is based on the application of seniority is entitled to be paid the amount he would have earned had he properly been called for such work. In the application of this principle, where the employee worked in other classifications while entitled to work as Yardmaster, the amount of payment due would be the difference between what he actually earned and what he would have earned as Yardmaster. In another situation where the employee did not work at all, he would be paid the full amount he would have earned had he been properly called as Yardmaster under the provisions of Agreement 4.2.

For the above reasons, the Company expressed the opinion that a runaround rule would have no application under Agreement 4.2 where, in all instances, entitlement to work is established on the basis of seniority and not on a first-in, first-out basis. We also stated that the Company presently applies the "make whole" principle outlined above.

On the basis of the foregoing, the Union agreed to withdraw its proposal for a runaround rule.

Yours truly,

Subject : Closed Period Commitment on Scheduling Pilot Committees

Gentlemen:

During this round of negotiations, the Union indicated a strong interest in employee scheduling. After lengthy discussions, the Company and the Union reached agreement that finding an appropriate scheduling solution would be appealing to the current employees, and would make careers at CN more attractive to new recruits. The TCRC argued that improvements in scheduling could address their concerns with board adjustments, the bulletining of assignments, and would decrease the uncertainty and inconvenience of being “on call” for undefined periods of time. The Company would like to find a way to schedule employees that is cost effective and more compatible (than the current situation) with running a precision operating plan.

Consequently, the parties agree to a closed period commitment where they would work together to accomplish these objectives in a spirit of cooperation for their mutual benefit. To that end, the parties will form committees to develop, test and validate pilot scheduling projects. The mandate of the committees (one in Eastern Canada and one in Western Canada) will be to develop pilot projects to achieve as many of the following goals as is mutually agreeable, respecting each others' objectives to the greatest extent practicable.

Scheduling Goals

- Establish time pools for road service and yard, road, Traffic Coordinators and joint spareboards as determined by the General Chairman and the Regional Senior Vice-President or their delegates
- Operate time pools and spareboards based on local requirements
- Time pools will be adjusted to ensure employees have the opportunity to earn 4300 miles in road service (including joint spareboards) and 5 shifts per week in yard and Traffic Coordinator service
- Continue to recognize existing workload allocations
- Establish time pools recognizing employees will be properly rested and available to protect their turn
- Establish a method to deal with service disruptions

Scheduling Committees

Scheduling committees shall be established in each applicable region and shall consist of two union representatives and two company representatives. One of the two union representatives shall be full time and appointed by the General Chairman; and the other shall be the local chairman (or designate) from the terminal being scheduled at the time. While working on the committee, the wages and expenses of the full time representative shall be paid by the Company. The local chairman (or designate) shall be removed from the working board and considered to be on Company business while working on the committee.

The scheduling committee shall identify and address rules that impede the ability to establish time pools in accordance with the agreed upon scheduling goals. No change to the existing collective agreement language may be effected without the express written concurrence of the General Chair responsible for the collective agreement for the union and the Director of Labour Relations for the company.

The scheduling committee shall identify concerns and issues that may arise during the implementation of time pools and work to resolve any such matters. Any matters that cannot be resolved will be directed to the Regional Vice-President or his delegate and the respective General Chairman or his delegate for their review. If not resolved at this level, the matter will be advanced to the Dispute Resolution process.

Regular Road Assignments – Agreement 4.3 only

Regular road assignments will be advertised to include the ordering time at the home and away-from-home terminal. Employees not ordered within 5 hours of the advertised departure time at the home terminal will either be deadheaded to the away from home terminal to work their assigned return trip or paid a basic day for each tour of duty of their regular assignment.

Road Switcher Assignments – Agreement 4.3 only

Road switcher assignments will be advertised with a regular start time. If not ordered within 5 hours of the advertised start time the employee will be paid a basic day, and will not be called prior to their next scheduled tour of duty. It is understood that the advertised starting time will not be advanced.

Dispute Resolution

Given the importance of this commitment, should there be any problems or issues arising that the parties are unable to resolve themselves, the parties agree to seek the assistance of the Federal Mediation and Conciliation Service in order to facilitate their discussions.

Gentlemen:

One of your joint demands submitted for the current round of negotiations seeks payment for Local Chairmen who attend Company initiated meetings. You said, for example, that such meetings could include those called to inform the Local Union officers of a new practice, such as the trial project on discipline, attendance at Health and Safety Committee meetings, a change to operations and so on.

The Company agreed that there is a need for a consistent method of reimbursement for local Union representatives who attend Company initiated meetings, seminars, etc. For our part however, payment would not accrue to Local Union officers for attendance at investigations, discussions related to grievances, making representation on behalf of employees, discussions concerning mileage regulations or board adjustments, etc. since these and other allied activities are part of the Local Chairman's representative role as defined by his Union position and his/her reason for attendance at such discussions would normally come from, be caused by or be for the overall benefit of the membership represented.

Therefore, in accordance with the foregoing, when a Local Union officer is requested by a Company officer to attend a meeting on a matter initiated by the Company, such an employee will be compensated as follows on account of such attendance:

- (a) where necessary to lose time, or a trip, reimbursement for actual time lost
- (b) where available between trips or on a designated rest day:
 - (i) 50 miles or four hours; or
 - (ii) for time in excess of four hours, pro-rata payment on a minute basis
 - (iii) payment hereunder will be at the rate of pay for the position and the class of service last performed;
- (c) where necessary for any official Union representative to travel from another terminal or if such employees' assignments are located at other than the location of the meeting attended, they will be reimbursed for actual reasonable expenses for meals, travelling costs and hotel/motel accommodation (in addition to payment outlined in paragraphs (a) or (b) above). Expenses claimed must be submitted on CN Form 3140B and receipts for each expense claimed must accompany such submission.

Gentlemen:

This has reference to your proposal to limit the application of the terms, conditions and benefits of those Agreements negotiated as a result of a Company notice served in accordance with the Adverse Effects/Material Change provisions of your Collective Agreement or similar notices, i.e., in accordance with the VIA Special Agreement, to those employees appearing on your respective seniority lists with the exception of those employees denoted as occupying an "excepted" position as Company officers.

The Union acknowledged they did not intend to unduly restrict the opportunity of any employee appearing on the appropriate seniority lists to generally exercise their seniority rights in accordance with the seniority provisions. However, they did wish to avoid an employee occupying an "excepted" position to exercise seniority for the sole purpose of obtaining those terms, conditions and benefits flowing from Agreements negotiated to minimize adverse effects of material changes.

Accordingly, the Union and the Company have agreed that, in respect of notices served in accordance with the above, the terms, conditions and benefits applicable thereto will not apply to those employees who were occupying an "excepted" position as Company officers 30 days prior to the date of such notice of change.

During the current round of negotiations, the Union submitted a proposal to have T-4 slips placed in sealed envelopes and mailed to the employee's residence.

The Company indicated that, for the reasons discussed with you, it was not prepared to mail T-4 slips to employees' residences. However, this will confirm that the appropriate arrangements will be made to have T-4 slips placed in sealed envelopes and delivered to points where statements of earnings are distributed.

Gentlemen:

During the current round of negotiations, the Union submitted the following proposal:

Leave of absence for Union purposes not to affect vacation entitlement.

During discussions on this proposal, the Company indicated that it was prepared to count time spent by Union officers on Union business as "days worked and/or available" for the purpose of calculating the number of days vacation entitlement. This would apply to Union officers elected or appointed to any of the full or part-time positions set out in paragraphs 19.1 and 19.2 of Article 19 of Agreement 4.2. However, it was clearly stated that the calculation of actual vacation pay would still be confined to the wages actually paid by the Company as shown on Form T-4 issued by the Company.

The Union stated that this was fully understood.

Gentlemen:

During the current round of negotiations, the Union submitted the following proposal:

An employee shall lose his seniority if he/she accepts a managerial position with the Company and outside the bargaining unit in either an acting or permanent capacity.

During the ensuing discussions, the Company stated that it was not prepared to accede to this particular proposal. However, in those same discussions, it soon became apparent that one of the Union's main concerns involved the application of the terms, conditions and benefits of those Agreements negotiated as a result of a Company notice served in accordance with the Adverse Effects/Material Change provisions of your Collective Agreement or similar notices, i.e., in accordance with the VIA Special Agreement, to those employees appearing on your respective seniority lists with the exception of those employees denoted as occupying an "excepted" position as Company officers.

Accordingly, the Union and the Company have agreed that, in respect of notices served in accordance with the above, the terms, conditions and benefits applicable thereto will not apply to those employees who were occupying official or other positions not covered by any collective agreement within one year prior to the date of such notice of change.

Yours truly,

ADDENDUM NO. 10

CANADIAN NATIONAL RAILWAY COMPANY

St. Lawrence Region

MEMORANDUM OF AGREEMENT between the Canadian National Railway Company and the United Transportation Union with respect to the establishment of a spare board for yardmasters in the Montreal Terminal.

IT IS AGREED that, effective on the date of signing of this Memorandum of Agreement, the following terms and conditions will apply with respect to the operation of a yardmasters' spare board at Montreal:

1. An initial bulletin calling for applicants to positions on the yardmasters' spare board will be issued on or about January 5, 1988. The spare board will commence on April 24, 1988 and employees who are qualified will be required to protect spare board positions beginning at the spring change of time in 1988. Employees who apply on the initial bulletin will be qualified in seniority order for yards at Montreal for which they are not already qualified. Employees who do not apply on such initial bulletin will, subject to Articles 3.1 and 24.11, retain their unassigned yardmaster's status in the zone in which presently qualified. Employees who are absent during the entire period the bulletin is advertised may make application to the appropriate Company officer and will be added to such list in accordance with their unassigned yardmaster's seniority.
2. The Company will determine the number of yardmasters who are to be qualified for the spare board. If the Company subsequently determines that additional yardmasters require training to qualify them for the yardmasters' spare board, yardmasters who applied on the initial bulletin pursuant to Item 1 hereof, will be canvassed in seniority order.
3. Thereafter, if additional candidates are needed to qualify for the yardmasters' spare board, a subsequent bulletin will be issued. If a junior employee is a successful applicant on such subsequent bulletin, all unassigned yardmasters his senior who have not qualified for the yardmasters' spare board will forfeit their seniority under Agreement 4.2 upon completion of training of the aforementioned successful applicants.
4. Yardmasters who do not qualify within the training period established by the Company will be required to qualify on their own time within a two-month period or will be disqualified. The local chairman will be advised of any cases where employees may not qualify within a reasonable period.
5. Regularly assigned yardmasters will be permitted to apply for training for spare board positions on the initial and subsequent bulletins. The number of regularly assigned yardmasters accepted for training will be limited to the number of spare board positions required on the initial and subsequent bulletins.
6. A list of qualified yardmasters will be posted with copy to the local chairman.
7. Yardmasters trained and qualified to work on the spare board will not be permitted to relinquish their yardmaster status except for justifiable reasons which must be preceded by a 120-day notice in writing and agreed to by the General Chairman and the appropriate Company Officer in order to ensure sufficient time to provide suitably trained and qualified replacements. Unless otherwise agreed to by the General Chairman and appropriate Company Officer, employees allowed to relinquish their seniority under this paragraph will not be permitted to make subsequent application for yardmasters' positions for at least one year from the date their resignation takes effect.

8. Yardmasters required to provide on-the-job training pursuant to this Memorandum will be paid the allowance specified in the Memorandum of Agreement dated January 8, 1986.
9. The yardmasters' spare board will be regulated by the Company. The local chairman or his delegate will contact the Company on a mutually agreed upon date if he so desires to obtain the particulars prior to the time of regulation.
10. When the number of positions on the yardmaster's spare board is increased, the names of qualified employees will be placed in order of their seniority order at the bottom of the spare board.
11. Yardmasters assigned to the spare board will be called on a first in/first out basis for all unfilled yardmasters' positions. When the yardmasters spare board is exhausted, unassigned yardmasters will be required to protect assignments at locations where qualified and if they refuse a call, they will forfeit such seniority. As far as practicable, a three-hour call will be provided to spare board and unassigned yardmasters in accordance with the following procedure:
 - (a) Spare board yardmasters available at calling time at pro rata rates.
 - (b) Spare board yardmasters available at calling time at punitive rate.
 - (c) Spare board yardmasters who have indicated a willingness to work on a daily basis doubling through as yardmaster at same yard (Taschereau Yard will be considered as one yard).
 - (d) Unassigned qualified yardmasters in seniority order available at calling time at straight time pursuant to the Memorandum of Agreement dated January 13, 1988.
 - (e) Senior qualified yardmasters available at pro rata rates who have indicated their willingness to work on a daily basis and provided it does not interfere with them filling their regular assignment.
 - (f) Senior qualified yardmasters available at punitive rates who have indicated their willingness to work on a daily basis and provided it does not interfere with them filling their regular assignment.
 - (g) Senior qualified yardmasters who want to double through in the same yard (Taschereau Yard will be considered as one yard).

Except as provided for in items (c) and (9), available means available for a 3-hour call. A letter of understanding concerning the use of pagers will be agreed to by the appropriate officer of the Company and the Union.

12. Yardmasters assigned to the yardmasters' spare board who are available for duty for two consecutive payroll periods in their entirety commencing with period 01 in each year will be guaranteed \$6335.20 for each such 28-day period. Rate subject to GWI.
13. Yardmasters assigned to the yardmasters' spare board for a portion of the guaranteed period will receive a pro rated portion of the guarantee, according to the number of days the employee was on the spare board.
14. Yardmasters assigned to the yardmasters' spare board who miss a call or who are unavailable for a calendar day or portion thereof, will have their guarantee reduced by 1/20th of the amount in paragraph 12 (\$316.76), Rate subject to GWI

NOTE: In the calculation of guarantee payments provided herein, all compensation paid under this Memorandum of Agreement, Agreement 4.2, and Agreement 4.16, during the guarantee period or portion thereof that such yardmaster is assigned to the spare board will be used to offset any such guarantee payments.

15. Employees assigned to the yardmasters' spare board or an unassigned yardmaster who is called and is not required for duty, will be allowed three hours at pro rata rate and will hold his turn on the spare board. An unassigned yardmaster who is regularly assigned to a position covered by Agreement 4.16 and who loses a tour of duty on such regular assignment as a result of being called to fill a yardmaster's vacancy and not used as such will be paid not less than the amount which he would have otherwise earned on his regular assignment under Agreement 4.16.
16. Qualified yardmasters with seniority under this agreement whose seniority entitles them to a position as yardmaster at their home terminal and who accept a position on the working list of locomotive engineers shall continue to accumulate seniority under Agreement 4.2 for a period of one year. Employees who elect to remain employed as a locomotive engineer at the completion of such year, and whose seniority entitles them to a position as yardmaster shall forfeit their seniority under such Agreement. Employees unable to hold a position as yardmaster at the end of such year will make the election at the first time after the expiration of the year when their seniority entitles them to a position of yardmaster at their home terminal.

During the period qualified yardmasters are employed on the locomotive engineer's working list, they will not be considered as having entitlement to work under Agreement 4.2.

17. During the period this Memorandum of Agreement is in effect, the provisions of Article 24 with respect to the filling of temporary vacancies will be suspended and replaced by the provisions outlined herein. Temporary vacancies will be advertised to the terminal every Tuesday and Friday, the bulletin will be closed on the following Friday or Tuesday as the case may be and will be filled by the senior qualified applicant on the first date of the work week subsequent to the closing date.
18. Where no applications are received on a temporary or permanent vacancy for a regularly assigned yardmaster position, the senior qualified unassigned yardmaster not working on the spare board at that location will be assigned to the vacancy.

NOTE: In the application of this Item 18, if qualified unassigned yardmaster junior to the employee assigned under this paragraph subsequently becomes available, such employee will be assigned to the position and, if requested, the employee formerly assigned will be released upon such junior employee's availability.

19. It will be agreed that both parties will cooperate to facilitate the application and implementation of the spare board.
20. This Memorandum of Agreement may be cancelled at any time upon sixty (60) days written notice by either party and in which event the Memorandum of Agreement dated January 13, 1988 in respect of the establishment of zones in Montreal Terminal will apply.

Signed at Montreal, Quebec, this 3rd day of February 1988.

For each five spare Traffic Coordinator's shifts in the previous week, one Traffic Coordinator will be set up on the Traffic Coordinators' spare board, that is for example:

During the time the employee is either in training or awaiting training, the next available qualified employees on the preference list will be canvassed.
6. When the number of positions on the Traffic Coordinators' spare board are increased the employees on the preference list will be canvassed, in seniority order, to determine if they wish to go to the Traffic Coordinators' spare board. Employees declining to go to the spare board will lose their preference entitlement until the next change of timetable. If there are an insufficient number of employees electing to go to the spare board the junior qualified employee will be assigned. The names of qualified employees will be placed in order of their seniority on the bottom of the spare board.
7. When the number of positions on the Traffic Coordinators' spare board is decreased, the names of employees on the spare board will be removed in reverse seniority order.
8. The spare board work week will commence at 0001 Monday.

9. Traffic Coordinators assigned to the spare board for a portion of the seven day work week, will receive a pro-rates portion of the guarantee according to the number of complete days that the employee was on the spare board and available.
10. Traffic Coordinators assigned to the spare board who misses a call for any of the three (3) call windows prior to each regularly assigned shift, or are unavailable for a full calendar day, will have their guarantee reduced by either hours. (Such employees will be dropped to the bottom of the Traffic Coordinator's Spare board and will be placed on the off-board in the event of three consecutive missed calls).
11. In the calculation of the guarantee payments provided herein, all compensation paid shall

be used to make up the guarantee., An employee shall not be entitled to any form of guarantee payment if the total money earned (excluding holiday pay) by the employees is equal to or is greater than the monetary equivalent of the respective guarantee, and shall be based on the time frame set out in Article "8" of this agreement.

12. Should operational changes or otherwise necessitate amendments to this Spare board Agreement, the parties agree to meet within 30 days of notification by either party. This Spare board Agreement has been established in keeping with the commitment provided by Appendix C of the Traffic Coordinator's Memorandum of Agreement dated October 20, 1996.

Gentlemen:

During the recent round of collective bargaining there was discussion concerning the 2001 closed period commitment, and fulfilling the intent of that commitment, regarding implementation of the Tier system of pay. The following is the agreed upon criteria.

All criteria listed, while objective, still provide room for discretion and flexibility between the parties.

It is recognized that different shifts at the same location can be compensated at different Tier levels. For example, the workload on a midnight shift may be greater than the workload on the afternoon shift. The Traffic Coordinator working midnights would be compensated at a higher Tier level than the afternoon Traffic Coordinator. Similarly, Traffic Coordinators working at different locations within the same terminal may be compensated at different Tier levels, depending on workload.

It is further recognized that Tier levels may be adjusted, either upwards or downwards, based on operational changes. Such adjustments, however, will only be made as a result of a “long-term” operational change, such as: the opening or closure of a customer facility; the introduction or removal of a new or revised train service; or other similar type of operational change. Tier levels will not be adjusted on a day-to-day basis. Discussions will take place between the Vice-President (or his or her delegate) and the General Chairperson (or his or her delegate) prior to any change in Tier levels.

TIER 1 CRITERIA

- 30 inbound and 30 outbound trains
 - Total trains per day
 - Train 118 inbound and Train 118 outbound equal 1 train in and one train out.
- 30 Assignments
 - Total number of assignments handled by Traffic Coordinator per shift.
 - For example: Traffic Coordinator starts work at 0730. Interacts with 8 midnight crews, 12 day crews and 6 afternoon crews as well as 8 crews under the primary direction of another Traffic Coordinator. This Traffic Coordinator handled 34 crews
- Large Customers (i.e. Cargoflo, Freight Forwarders, Steel Centre)
 - Also includes interchanges, chemical facilities, petroleum facilities or any other industry/operation that requires significant organization and communication/interaction between the Traffic Coordinator, customer and yard crews.

Again, these Criteria provide some discretion; they can be combined or reduced, as agreed by the parties. For example, a Traffic Coordinator handling several large customers, but less than 30 assignments or 30 inbound and outbound trains would still be entitled to a Tier 1 rate of pay. This is similar to the requirement listed in Tier 2.

TIER 2 CRITERIA

- 20 inbound and 20 outbound trains
 - Total trains per day
 - Train 118 inbound and Train 118 outbound equal 1 train in and one train out.
- 15 assignments or major customers
 - Total number of assignments handled by a Traffic Coordinator per shift. "Handled" as described in Tier 1 Criteria.
 - "Major Customers" as described under "Large Customers" in Tier 1 Criteria.
- Complexity of operation, for example, limited yard space or plenty of coordination to be taken into consideration.
 - Locations where Traffic Coordinators are required to perform duties such as: participate in daily conference calls and implement daily operating plans; monitor and manage crew requirements; excessive data entry.

TIER 3 CRITERIA

- Activity less than Tier 2. May have a high number of Trains but not much work performed.
 - Only a few crews and customers to address/handle on a regular basis.
 - Would include smaller terminals (Regina, Calgary) or off shifts at larger terminals when not required to switch large customers and have fewer crews.

During discussions which culminated in the signing of the Letter of Understanding, dated June 2, 1992 in respect to the matter of training and re-qualification under the Railway Employee Qualifications Standards Regulations, there was some discussion amount the duration of the training course.

In this respect, the Company indicated that the course is presently structured in a four day format which includes First Aid training in addition to instruction and examination in the aforementioned Regulations. However, you were advised that changes to training methods or tools or revisions to course content might, at some time in the future, have some effect on course duration.

However, you were assured that any contemplated change to course duration will be communicated to the Union well before its implementation.

CANADIAN NATIONAL RAILWAY COMPANY

ST. LAWRENCE AND ATLANTIC REGIONS

MEMORANDUM OF AGREEMENT between the Canadian National Railway Company and the United Transportation Union to provide for the consolidation of certain Seniority Lists.

IT IS AGREED THAT:

- 1.** Effective on October 25, 1992 the First Seniority District shall be established which shall be comprised of the 18th and 19th Seniority Districts.
- 2.** The initial seniority list for road and yard service employees for the First Seniority District shall be prepared by dovetailing the present road and yard service seniority lists for the 18th and 19th Seniority Districts as follows:
 - (a)** commencing, in seniority order, with the employee at the head of the seniority list;
 - (b)** except that where two or more employees have the same seniority date on their respective lists, such employees will be placed on the dovetailed list in order of the time of day they commenced their first pay trip as a Brakeman/Yardman, where such can be readily determined for all employees described in this sub-paragraph (b);
 - (c)** if employees as described by sub-paragraph (b) hereof have identical times shown for the commencement of their first pay trip (where such can be readily determined for all such employees), such employees will be placed on the dovetailed list in order of the date of their last entry into service with the Company;
 - (d)** if employees cannot be placed on the dovetailed seniority list under sub-paragraphs (a) to (c) inclusive, they will be placed thereon by lottery.
- 3.** Employees with a seniority date prior to or on the effective date of this Memorandum shall have preference, in seniority order, over other employees in the filling of vacancies as set forth hereunder;
 - (a)** Those employees whose names appeared on the seniority list of the former 18th Seniority District will have preference in all service on the territory described by sub-paragraphs 46.10 to 46.13, inclusive, of Article 46 of Agreement 4.16.
 - (b)** Those employees whose names appeared on the seniority list of the former 19th Seniority District will have preference in all service on the territory described by sub-paragraphs 46.3 to 46.9, inclusive, of Article 46 of Agreement 4.16.
- 4.** Unless otherwise arranged between the designated Officer of the Company and the General Chairperson, runs in road service extended over more than one of the former seniority districts described by Item 3 hereof, which existed on or before the effective date of this Memorandum, will be operated by employees from each of the former seniority districts involved, proportionately as nearly as possible, on a mileage basis.
- 5.** In the application of the forcing provisions of Agreement 4.16, the territorial restrictions as described by Item 3 hereof will prevail.

6. Preference rights established under previous agreements, including the Memorandum of Agreement dated June 12, 1991 concerning the establishment of interchangeable seniority rights on the former 11th Seniority District, the Memorandum of Agreement dated June 12, 1991 concerning the 18th Seniority District and the Memorandum of Agreement dated September 19, 1991 concerning the 19th Seniority District, will not be affected by this Memorandum of Agreement.
7. Employees who are "protected freight employees" as described by Clause 1 of the Memorandum of Agreement dated March 29, 1992 (conductor only agreement) will retain such status on their former seniority district, but such status will not be transferable from their former seniority district to the expanded seniority district.
8. Notwithstanding the provisions of paragraph 47.12 of Article 47 (Interchangeable Seniority Rights - Road and Yard Service), the "change of service date" on the First Seniority District shall be the Spring and Fall Change of Timetables and bulletins shall be issued to the Seniority District.

With reference to our discussion concerning the amalgamation of the 18th and 19th Consolidated Seniority Districts.

During the discussions, concern was expressed with the bulletining procedures previously established in the Memoranda covering the establishment of the 18th consolidated Seniority List and the 19th Consolidated Seniority List. It was suggested that the procedures established for the 18th and 19th Districts were not appropriate when considering the scope of the new 1st Consolidated Seniority District.

Therefore, it was agreed that all positions would be advertised to the 1st Seniority District at the Spring and Fall Changes of Time. Permanent vacancies occurring between changes of time would be bulletined firstly to the former Consolidated Seniority Territory (18th and 19th), as the case may be; and, if not so filled, will then be bulletined to the 1st Seniority District.

If you concur with the above, would you please so indicate by signing below.

Gentlemen,

This is further to our discussions concerning the Memorandum of Agreement on Traffic Coordinators dated October 20, 1996, with respect to establishing Spareboards at certain locations.

This will confirm that the parties agree to establish spareboards at Vancouver, Edmonton, Winnipeg, and Toronto and other locations as mutually agreed. In this respect, it was agreed overtime would be allocated to the spareboards. However, when it could be shown that no additional cost would be incurred the parties could come to other arrangements.

If the foregoing accurately reflects our understanding, please so indicate in the space provided:

Dear Mr. Armstrong:

During the presentations of the Traffic Coordinator Memorandum of Agreement at Edmonton - Walker Yard on November 19, 1995, it was explained that the current process when filing vacancies of less than 5 days and /or on a day to day basis, are being filled in a sequence that is a variation of Items 1) thru 4) of paragraph 6.12 of the Memorandum of Agreement dated October 20, 1996.

During negotiations which culminated in the Memorandum of Agreement dated October 20, 1996, the parties agreed that the Montreal Spareboard Agreement dated February 3, 1986 would form the principles for the establishment of Spareboards at locations identified in Appendix C of the Memorandum of Agreement dated October 20, 1996. Moreover, the parties also agreed that overtime would be allocated to the spareboards and when it could be shown that no additional cost would be incurred, the parties could come to other arrangements. As a result, for the duration that the Edmonton spareboard Agreement remains in effect and when the spareboard is exhausted, a vacancy of less than five days duration will be filled on a day to day basis as provided for in the current Crew Management Centre calling procedures. The foregoing principles will also apply at other locations identified in Appendix C of the Memorandum of Agreement.

In addition, during the explanation sessions on November 19, 1996, the parties also discussed the intent and application of paragraph 20 of the Edmonton Spareboard Agreement. The intent of paragraph 20 ensures that a sufficient number of employees are appropriately assigned to the spareboard to protect the operation for the entire checking period. Therefore, the parties have agreed on a local basis to closely monitor the board adjustments and if necessary, to modify the commencement of the work week in a manner, such as commencing the work week on Friday, that will ensure the operation is adequately protected as contemplated within paragraph 20 of the Edmonton Spareboard Agreement.

During the current round of negotiations the Council expressed concern with respect to repetitive violations of the Collective Agreements. Although the Company does not entirely agree with the Council's position, the Company is prepared to deal with this matter as follows.

When it is agreed between the Company and the General Chairperson of the Union that the reasonable intent of application of the Collective Agreement has been violated an agreed to remedy shall apply.

The precise agreed to remedy, when applicable, will be agreed upon between the Company and the General Chairperson on a case-by-case basis. Cases will be considered if and only if the negotiated Collective Agreements do not provide for an existing penalty.

In the event an agreement cannot be reached between the Company and the General Chairperson as to the reasonable intent of application of the Collective Agreement and/or the necessary remedy to be applied the matter may within 30 calendar days be referred to an Arbitrator as outlined in the applicable Collective Agreements.

NOTE: A remedy is a deterrent against Collective Agreement violations. SABBATICAL LEAVE

Toronto, Ontario, May 13, 2001

R. Long	General Chairperson CCROU
R. Beatty	General Chairperson CCROU
R. Leclerc	General Chairman CCROU
R. Dyon	General Chairman CCROU
D. Shewchuk	General Chairman CCROU
B. Boechler	General Chairperson TCRC-CTY (Added 2005)

Gentlemen:

During this round of negotiations, the issue of sabbatical leave was discussed. The Parties have agreed to the introduction of Sabbatical leave of absence with deferred salary.

Preamble,

Sabbatical leave of absence is to permit permanent employees, represented by the Union, the opportunity to take a leave of absence, which they personally finance through a deferral of salary. The Sabbatical leave may be for a period of not less than 3 months and not exceeding 9 months and will be awarded on the basis of seniority. The deferral years will not exceed 5 years. It is understood that Sabbatical leave of absence will not apply in situations where such requests are to go work elsewhere.

Definitions:

Sabbatical Leave of Absence:

Agreement between the Company and employees allowing such employees to defer a percentage of their basic Weekly Rate of pay for a period not exceeding 5 years to permit them to finance a leave of absence not exceeding nine months.

Deferral Years:

The year(s) during which employees are deferring their salary. The Sabbatical will be taken after the deferral years.

Sabbatical Leave:

Period during which the employee is on leave of absence. This "Sabbatical" will be of not less than 3 months and cannot exceed 9 months and will be compensated at the percentage of the basic weekly rate of their permanent assignment.

Contract:

Signed document between the Company and the employees covering the period of time including the deferral years and the Sabbatical.

General Application

Sabbatical will be granted at the sole discretion of the Company. The Company decision will not be subject to appeal by the Employee nor by the Council. However, if the Sabbatical is refused, and upon request by the Council, the Company will supply a written confirmation of such refusal with an explanation of its decision.

It may be necessary in order to allot Sabbatical leave of absences that the normal manner in allotting vacations be modified to accommodate those wishing sabbatical leave. No Sabbatical

leave will be taken between June 15 and September 15.

If the Sabbatical leave of absence is approved, it will be subject to the following conditions:

Any contract could not be for less than 1 year and cannot exceed 5 years and 9 months.

Example of contract:

If the deferral years are established at two years and the Sabbatical at 6 months, the contract will be for a period of 2 ½ years. During the two year deferral the applicants will be compensated at 80% of their basic weekly rate of pay. During their Sabbatical they will be compensated at 80%.

Hereunder, is a table explaining the various type of deferral years based on 9 months to 5 year periods and Sabbatical based on a Sabbatical of 3 to 9 months.

Deferral Period	Length of Sabbatical		
	3 Months	6 Months	9 Months
9 months	75%		
2 yrs	89%	80%	73%
3 yrs	92%	86%	80%
4 yrs		89%	84%
5 yrs		91%	87%

2. Except as provided below, employees under Contract will be afforded all work benefits normally afforded to other permanent employees including the accumulation of seniority and service.

3. Employees under Sabbatical will be paid through the Direct Deposit System.

4. General Holiday falling within the period of Sabbatical will be considered as making part of the Sabbatical and will not be reimbursed by the Company.

5. Employees on Sabbatical will count in the calculation of annual vacation for the following year and such time will count for Pension purposes.

6. Time spent on Sabbatical will count in the calculation of annual vacation for the following year and such time will count for Pension purposes.

7. At the completion of the Sabbatical, employees will be reinstated in accordance with terms and conditions of the Collective Agreement.

8. The concept of Sabbatical leave of absence should not be used as pre-retirement leave of absence nor should it be used as experience working for another employee.

Funding

9. Contributions retained by the Company, through payroll deduction will be held in trust in a Financial institution selected by the Company and any interest accumulated will be retained by the Company to offset any administrative fees or additional costs associated with payment of benefit premiums.

Withdrawal, Maternity Leave, Long Term Disability, Resignation, Dismissal, Jury Duty or Death:

Withdrawal

10. Employees who decide to withdraw from the Contract, during the deferral years, should advise the proper officer of the Company, in writing thirty (30) days prior to the effective date of their withdrawal.

11. Employees who decide to withdraw from the Contract, during the Sabbatical, should advise the proper officer of the Company at least ten (10) days prior to their return to work.

Maternity Leave

12. In cases of pregnancy where employees decide to request a maternity leave during the term of the Contract under this agreement, employees will have the following options:

- postpone their Sabbatical leave until after their maternity leave, or
- postpone their Sabbatical leave to another year. (This postponement can not exceed a period of five years and nine months from the date of signature of the Contract), or
- abrogate their Contract under this agreement.

13. Should employees become disabled during the term of a Contract under this agreement, the agreement may be modified to cover the change, In cases where the employees decide to postpone their Sabbatical leave to another year, such postponement will not exceed a period of five years and nine months from the date of the signature of the Contract.

17. Except in cases covered by items 12, 13, 14 or 15, employees under Sabbatical leave will not be permitted to terminate their Sabbatical leave.

18. It is understood that the terms of the Sabbatical leave program will not form part of the Collective Agreement.

19. The provisions of this agreement will override any other provisions in Agreements 1.1, 1.2, 4.2, 4.16 and 4.3* to the contrary.

LEAVE OF ABSENCE FOR URGENT PERSONAL AFFAIRS

Memorandum of Agreement – March 28, 2000

The parties agree to reactive this program effective immediately as outlined below:

1. A maximum period of leave of three (3) months duration
2. Payment in the form of a repayable loan to the employee of the equivalent of 5 basic days at yard rates for each week of personal leave.
3. Re-payment of loan at 10% of gross earnings over a period of no longer than two (2) years.
4. A guarantee that such loan will be repaid in the event of the employee's death, dismissal or resignation. (An employee must sign an appropriate document outlining these terms).
5. A ceiling on the number employees on personal leave at any one time. (This will be determined by the Company) .
6. Applications for such personal leave to be made through the Canadian Director of the Brotherhood of Locomotive Engineers or the National Vice President United Transportation Union, Ottawa office.
7. Such personal leave to be subject to approval by the Vice-President, Labour relations and Employment Legislation.
8. Approval of such personal leave to be at the discretion of the Company.

It is understood that the personal leave program will be designed for the purpose of granting employees time off to manage urgent personal affairs, such as immediate family problems in exceptional circumstances, and will not apply to employee illness, injury, etc., nor will it apply when an employee has unused annual vacation entitlement. LEAVE OF ABSENCE FOR SIGNIFICANT PERSONAL EVENT

Toronto, Ontario, May 13, 2001

W.G. Scarrow CCROU Vice-Chairperson

Gentlemen:

During this round of negotiations the council expressed significant concern about the issue of attaining personal leave. Although there were examples of past occurrences raised, pertaining to pre-planned significant personal events; the Council also focused on examples of employees who were in genuine need for time off to attend to personal matters.

The Company acknowledges that for such pre-planned events, time off without pay will be granted, provided employees give at least two weeks prior notice.

In so far as time off for other requests of a leave of absence, which may intermittently occur, the parties acknowledge that it would be incumbent to ascertain that the granting of such leave would not impact the operation to such an extent that the timely movement of train/traffic would be jeopardized.

Prior to denying a legitimate and timely request for any leave of absence the local Company Officer and appropriate Local Union Officer will review arrangements to try to accommodate such time off.

Gentlemen,

Re: Brown System of Discipline.

This will confirm discussions held during collective bargaining in 2013/2014 regarding the Company's approach to discipline.

To resolve the issue of discipline, for the life of the collective agreement(s) or until otherwise mutually agreed, the Company will utilize the Brown discipline system and standards in accordance with past practices and jurisprudence.

The Company and the Union agree that in the application of the Brown system of discipline, the Company may continue to issue discipline in the form of deferred suspensions (subject to Union appeal).

Grievances resulting from the issuance of deferred suspensions will be initiated at Step II of the Grievance procedure.

ADDENDUM NO. 24
Work Jurisdiction

Toronto, Ontario, May 13, 2001

G. Halle CCROU Chairman
W.G. Scarrow CCROU Vice-Chairperson

Gentlemen:

During this round of negotiations the Council raised concerns regarding the CCROU's jurisdiction to work performed within yards relative to that provided for in the collective agreements of other crafts.

Discussions between the parties recognized the work that has normally and historically been performed by the CCROU relative to other crafts. In this regard the Company affirms that switching activities performed in CN Yards and CN facilities will be performed by the CCROU, excluding shop track facilities as defined by shop track limits.

The parties recognized that this letter cannot serve to limit the rights of other crafts as contained in their respective agreements, such as the performance of duties incidental to their work. Nevertheless the Company will assign work to the CCROU consistent with the foregoing.

Yours truly,

(Sgd) Richard J. Dixon
Vice-President Labour Relations and

ADDENDUM NO. 25

Management Performing Bargaining Unit Work

Toronto, Ontario, May 13, 2001

R. Leclerc	General Chairman CCROU
R. Dyon	General Chairman CCROU
D Shewchuk	General Chairman CCROU
R. LeBel	General Chairperson CCROU
R. Long	General Chairperson CCROU
R. Beatty	General Chairperson CCROU
B. Henry	General Chairperson CCROU

Gentlemen:

One of the Council's concerns during this round of negotiations was the utilization of management personnel when qualified CCROU employees are available for the service required to be performed at the time.

This will confirm the Company recognizes that the main function of management is to direct the work force and not engage in work currently or traditionally performed by employees in the bargaining unit when qualified CCROU employees are available. It is recognized management employees will accompany crews from time to time when required to perform refresher training.

Yours truly,

(Sgd) K. Heller
Senior Vice-President
